Your Christmas Eve box plan

Choose a small evening plan. Use things already at home before making a shopping list.

Who is joining in?

Names / needs / things to avoid:

Already at home

Clothing, books, paper, familiar games:

One chosen activity

What we will do and who will help:

Optional things to buy

Item / actual price / delivery or extra supplies:

Whole budget

Budget: _____ Purchases: _____ Extras: _____

Total: _____ Things to leave out: _____

Before opening

□ Check age warnings and loose parts □ Keep packaging away from children

□ Keep younger children away from small supplies □ Keep food labels

□ Choose an opening time □ Leave room for the usual evening routine

The box is optional. A familiar book, comfortable pyjamas and one shared activity can be enough. Adults supervise activities; a box is not something to leave in a cot.
