Six optional starting prompts

Choose a familiar animal. Give one helpful clue.

A story begins

A penguin has opened a tiny café. What happens?

Strange museum

What would a hat for a giraffe look like?

Drawing together

Add a silly pocket to an imaginary coat.

Spot a shape

Choose a rectangle you can notice from your seat.

Quiet story sound

Choose a gentle sound or silent gesture for rain.

Adults handle any cutting and keep loose cards away from younger children. You can use the page uncut. Offer spoken descriptions, larger drawings or a partner where useful.
