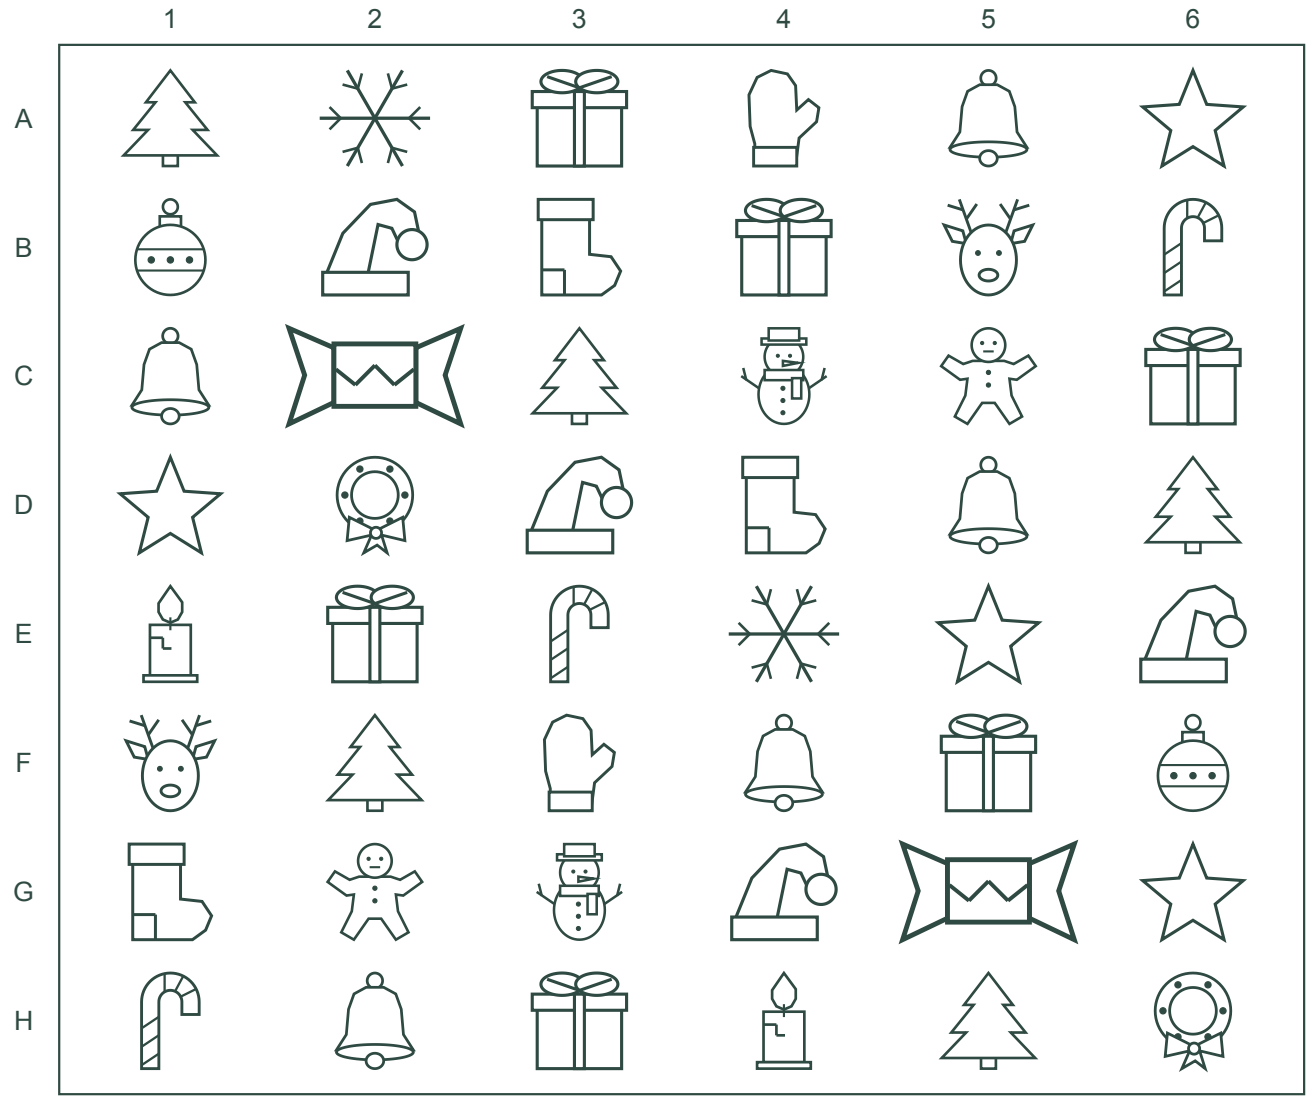
Christmas I Spy

Count the eight kinds of picture shown below. Look only inside the large box: do not count the examples beside the answer lines. Write or say each total.



Christmas tree	_____	Present	_____
Star	_____	Stocking	_____
Bell	_____	Santa hat	_____
Candy cane	_____	Snowman	_____

The letters and numbers help you keep your place. Count each whole picture once. Colour or circle a picture as you count it. Answers are on the separate second sheet.

Christmas I Spy: answers

Check a position

Letters A–H go down the left side of the picture box; numbers 1–6 go across its top. A1 means the first picture in the top row. Use the positions above to check one kind of picture at a time.

There are 32 target pictures in total, plus 16 other pictures. The other kinds are Snowflake, Bauble, Cracker, Candle, Mitten, Gingerbread, Reindeer and Wreath. They do not have answer lines on page 1.
