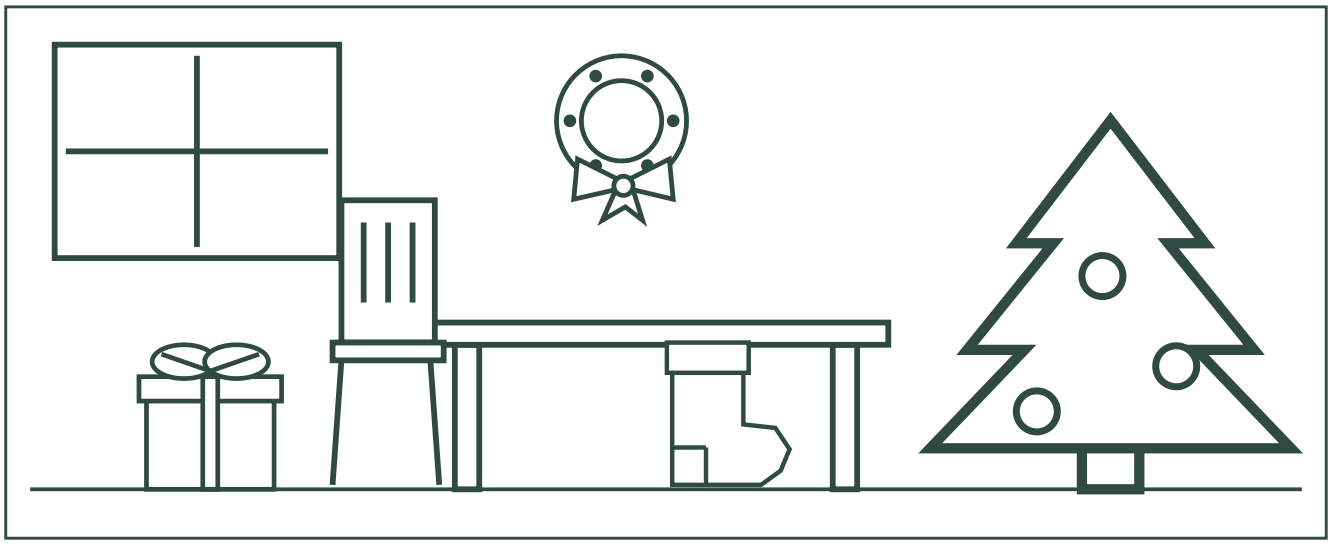
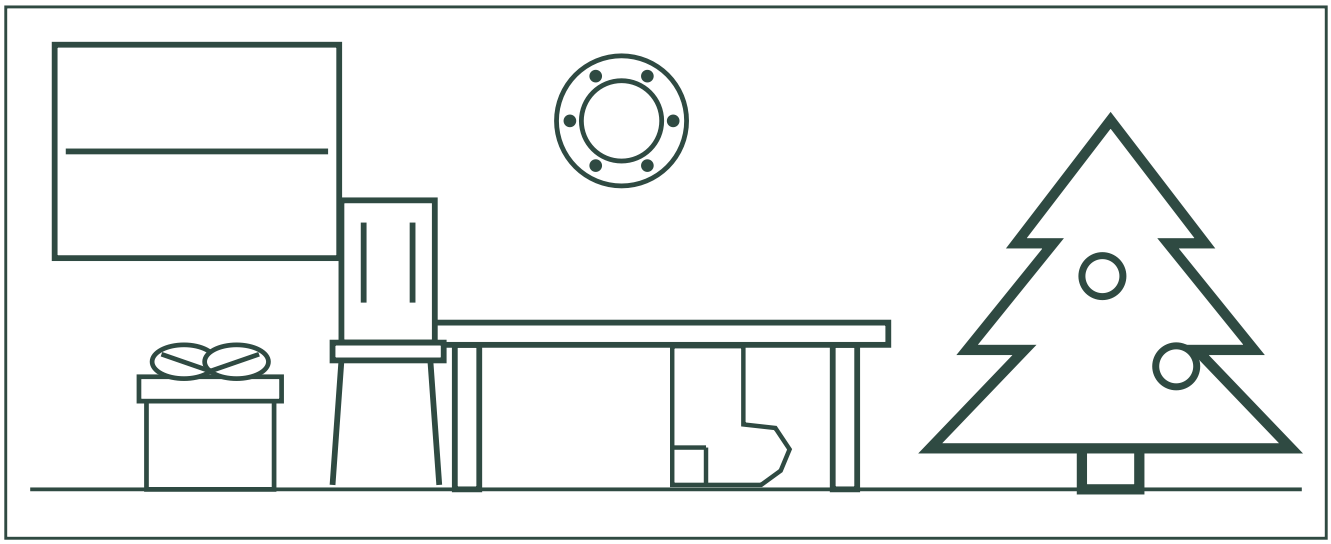
Christmas table · 6 differences

Find 6 differences between pictures A and B. Circle a change in picture B, or point to it and describe what is different.

Picture A



Picture B

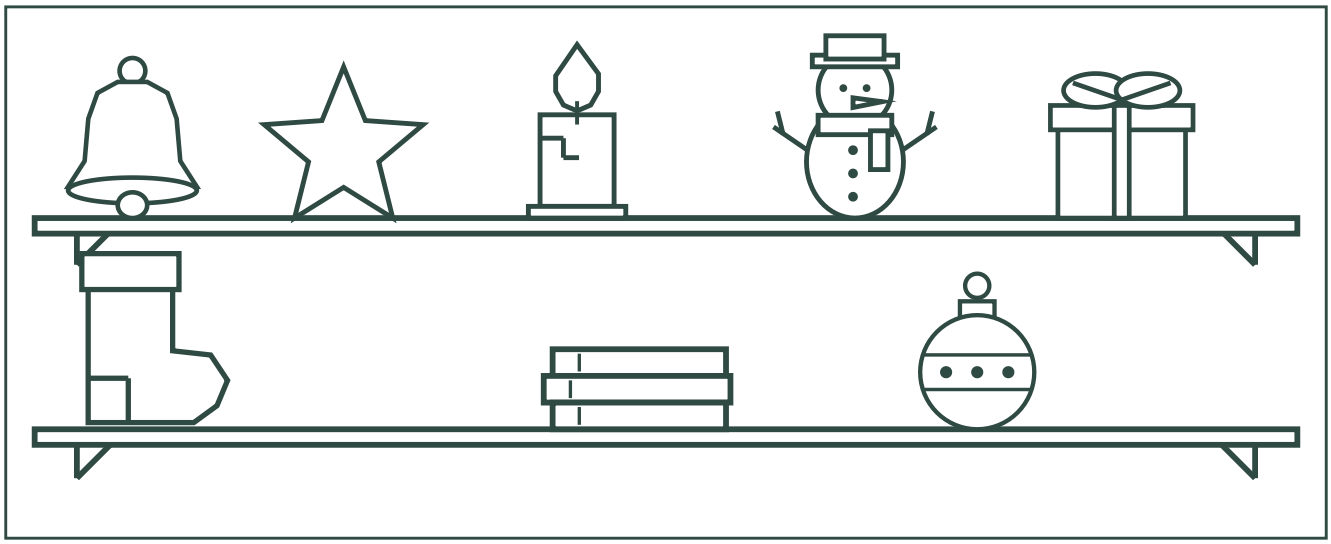


All the differences show in black and white. Find the changes before colouring. The answer sheets are pages 3 and 4; keep them separate while you play.

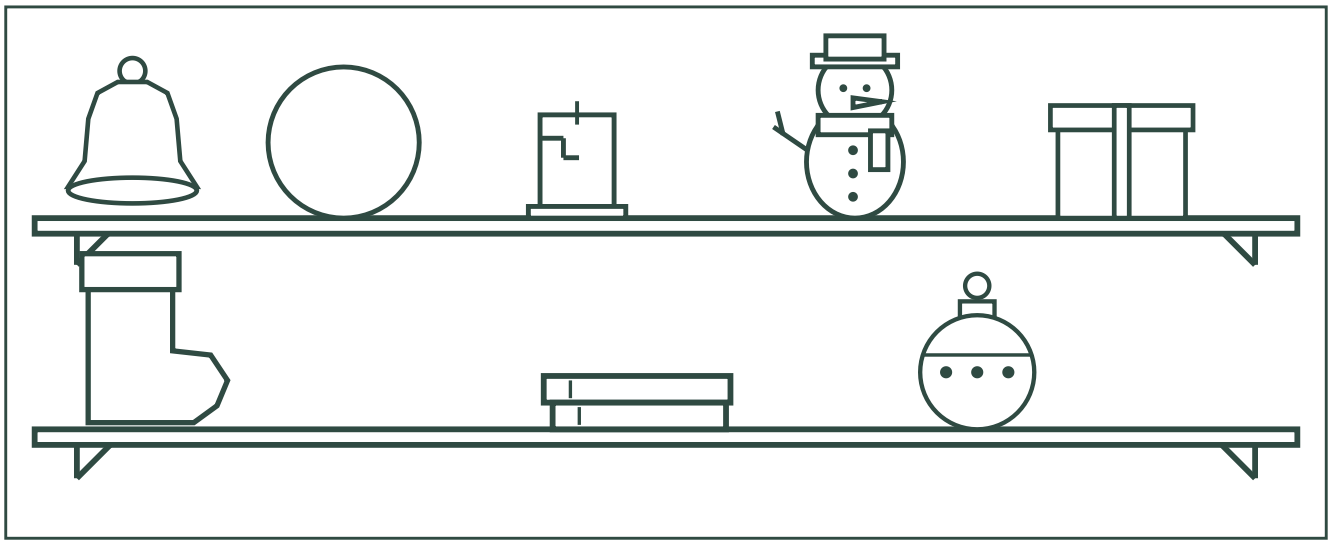
Decoration shelf · 8 differences

Find 8 differences between pictures A and B. Circle a change in picture B, or point to it and describe what is different.

Picture A



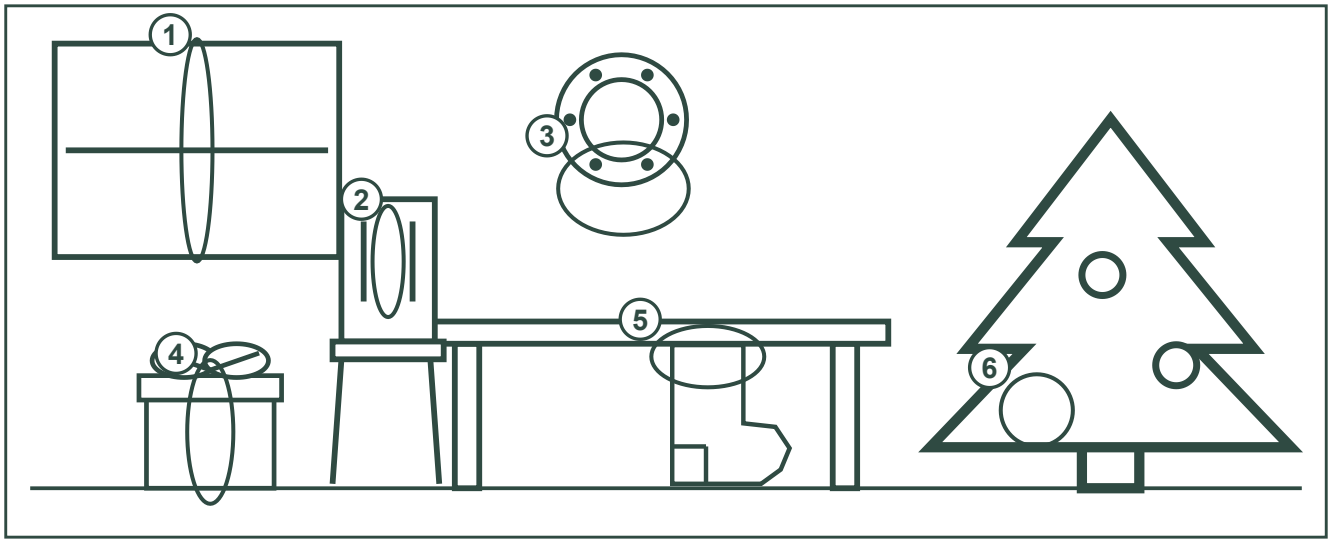
Picture B



All the differences show in black and white. Find the changes before colouring. The answer sheets are pages 3 and 4; keep them separate while you play.

Answers: Christmas table

The numbered rings on picture B mark all 6 changes. Compare with picture A on puzzle page 1.

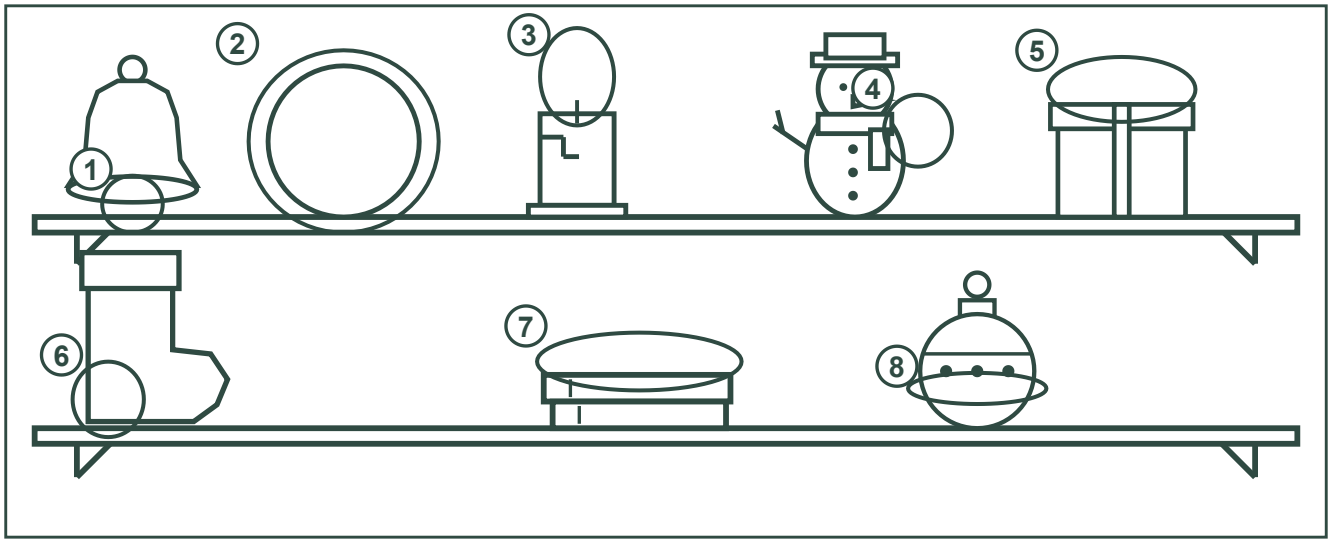


1. The window has two panes instead of four.
2. The middle slat in the chair back is missing.
3. The bow on the wreath is missing.
4. The vertical ribbon on the present is missing.
5. The cuff at the top of the stocking is missing.
6. The tree has two round baubles instead of three.

A missing part and the gap it leaves count as one change. The pictures have the same scene, size and position apart from the numbered changes.

Answers: Decoration shelf

The numbered rings on picture B mark all 8 changes. Compare with picture A on puzzle page 2.



1. The clapper below the bell is missing.
2. The star has become a circle.
3. The flame above the candle is missing.
4. The snowman has one stick arm instead of two.
5. The bow on the present is missing.
6. The corner-shaped heel patch on the stocking is missing.
7. There are two books in the pile instead of three.
8. The lower stripe on the round bauble is missing.

A missing part and the gap it leaves count as one change. The pictures have the same scene, size and position apart from the numbered changes.
